

PUSHION INSOLES DESIGNED FOR YOUR COMFORT

PUSHION™
INSOLE

PU Foam Insole Cushion

Anti-static provision - The antistatic thread sewn into the PUSHION insole provides conductivity to preserve the anti-static property of the anti-static footwear.

Ergonomically designed to provide maximum support - PUSHION has a specially molded cushioned arch support and a cupped heel for heel support.

Remains spongy and last longer - PUSHION has memory that resets its spongy property unlike normal EVA insole.

Superior shock absorption properties - PUSHION significantly reduces stress of impact on the heel and the forefoot as compared to normal EVA insole.

Keeps your feet fresher all day long - PUSHION is lined with breathable and moisture transmitting top lining that contains anti-microbial additives which reduces foot odor.

Massages your heel - PUSHION has specially designed "massage studs" to reduce fatigue on heel.

SHOE SIZE SCALES COMPARISON

English	3	4	5	6	7	8	9	10	11	12
French	36	37	38	39/40	41	42	43	44/45	46	47

 Sole resistant to oil and acids/alkalis

 Extra wide fitting carbon steel toecap that meets the impact resistance of 200 joules

 Pierce resistant steel midsole insert

 Extra light, slip resistant polyurethane (PU) sole

 Antistatic
